SECTION I
REGULATIONS FOR THE ORGANISATION OF SENIORS CIRCUIT TOURNAMENTS AND
THE YOUNG SENIORS/SENIORS/SUPER-SENIORS WORLD INDIVIDUAL
CHAMPIONSHIPS

The following Regulations apply to all Seniors Tournaments in Grades A, 1 – 5 and, with some exceptions, to those in Grade RC (Regional Closed Championships), National Closed Championships, as well as Grade C (Young Seniors/Seniors/Super-Seniors World Team Championships and other international team competitions). These exceptions are given in Section II (ITF Young Seniors/Seniors/Super-Seniors World Team Championships), together with additional clauses in Appendix I and II for National Closed and Regional Closed Championships.

For all other Seniors Tournaments without an ITF sanction, whether listed in the Seniors Calendar or not these Regulations are to be regarded as guidelines to be followed in order to achieve desirable standards and uniformity for the benefit of Seniors players worldwide.

I. THE COMPETITION

1. Title

The Competition, an international singles, doubles and mixed doubles competition, shall be called the “ITF Seniors Circuit”.

2. Mission Statement

The ITF Seniors Circuit seeks to promote the growth, development and continuing interest in Seniors tennis through the conduct of international competitions at different locations throughout the world, which engenders good will between nations. The ITF Seniors Circuit is comprised of the best international seniors tournaments staged by its member nations worldwide including the annual ITF Young Seniors/Seniors/Super-Seniors World Team and Individual Championships. National Associations are responsible for proposing tournaments for inclusion in the Circuit, subject to the final approval of the ITF Seniors Committee who govern the geographical distribution and grading of Circuit tournaments.

The ITF Seniors Circuit provides a platform for seniors players to measure their standard against players from other nations and by reference to the ITF Seniors World Individual ranking and ITF Seniors World Team ranking, which determine the ITF Year-End No.1 player and nation in each of the recognised age groups.

3. Ownership

The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the "ITF".

Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the event; television and radio, film and video recordings; plus new media and internet coverage. In the case of the Young Seniors/Seniors/Super-Seniors World Individual Championships, which are conducted by and under the direction and control of the International Tennis Federation, the Board of Directors may assign all or any rights to the host nation in accordance with detailed guidelines issued by the ITF consistent with these regulations.

4. Players Eligible

Only players who are under the jurisdiction of a national tennis association affiliated to the ITF may compete in any of the tournaments that comprise the 2017 ITF Seniors Circuit. They must be in "good standing" with their national association as defined in Appendix V of the ITF Seniors Regulations.

5. International Player Identification number (IPIN)

In order to enter ITF Seniors Circuit tournaments, players must have registered for a Seniors IPIN membership (and pay the appropriate annual fee). All players entering ITF Seniors Circuit tournaments agree, as a condition of their entry, to accept the related terms and conditions.

Players will not be allowed to enter and/or compete until the IPIN registration is complete and the payment option has been selected.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept any player's entry to any ITF Senior Circuit tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

6. Events and Age Groups

Until otherwise determined by the ITF, the age groups to which ITF Seniors World Individual ranking points will be awarded shall be:

Men		Women	
35 years and over	65 years and over	35 years and over	65 years and over
40 years and over	70 years and over	40 years and over	70 years and over

Applications for inclusion in the Circuit, giving full details of new or existing tournaments, are to be sent to the ITF, or as otherwise directed by the ITF, in accordance to the following:

a) Applications from tournaments taking place from January to May must be received by 30 June of the previous year. Applications from tournaments taking place from June to December must be received by 31 August of the previous year. Applications for upgrades must also be made by these deadlines. Only the official application form shall be accepted.

b) Only tournaments sanctioned by the host National Association concerned will be considered for inclusion.

c) All tournaments awarded ITF status will start at Grade 5 level in their first year on the Circuit.

d) The ITF reserves the right to refuse, approval of or cancel any previously sanctioned tournament or series of tournaments for reasons of health, safety, security or any other potential threat to any persons attending the tournament(s) or to the successful running of the tournament(s), without any liability on behalf of the Applicant, National Association, Tournament Organiser or the ITF (for the avoidance of doubt, the ITF, the Applicant, National Association and/or the Tournament/Host Organiser will not be liable to any Players or any other persons or entities for any costs that they might have incurred in relation to such cancelled Competitions, including, without limitation, any transport and/or accommodation costs). This decision will be made on behalf of the ITF by the ITF Seniors Committee, and may be appealed to the Independent Tribunal. The ITF may also insist on an alternative date, in particular if a tournament conflicts with the ITF Young Seniors, Seniors or Super-Seniors World Championships, especially when such tournament occurs within the same continent or holds a Regional Championships or Grade A status.

e) If a tournament is included in the calendar and subsequently withdraws within 15 weeks of the scheduled first day of play, that tournament shall be subject to the Tournament Offences provision as set out in Article VI of the Code of Conduct. These tournaments must still pay the full amount of the sanction fee, as outlined in Section I, Rule 13 below.

f) Application to host the Young Seniors/Seniors/Super-Seniors World Individual Championships:

Any National Association wishing to stage the above Events shall submit its application in writing on the approved form provided by the ITF.

The ITF will consider bids offering to host either the ITF Young Seniors/Seniors/Super-Seniors World Team Championships and/or the ITF Young Seniors/Seniors/Super-Seniors World Individual Championships in the same year, in two consecutive weeks, in the same nation.

12. Public Liability Insurance

The applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable. "ITF Ltd" and "ITF Licensing (UK) Ltd" must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.

13. Sanction Fees

All tournaments on the ITF Seniors Circuit must pay the relevant fee below in order to be included on the Calendar.

Grade RC1	\$ 915
Grade A	\$ 815
Grade 1	\$ 715
Grade RC2	\$ 680
Grade 2	\$ 480
Grade C2	\$ 410
Grade RC3	\$ 560
Grade 3	\$ 360
Grade C3	\$ 330
Grade 4	\$ 245
Grade 5	\$ 175

14. ITF Responsibilities

The ITF is responsible for the overall administration of the circuit and shall do its utmost to ensure that the calendar is widely publicised.

The ITF shall process results from all the tournaments on the Seniors Circuit and shall issue on a weekly basis latest world individual ranking points for singles, doubles and

mixed doubles accumulated by competitors. These shall be published on the ITF Seniors website: www.itftennis.com/seniors

15. Tournament Responsibilities

All tournaments must be played in accordance with these Regulations, the Seniors Circuit Code of Conduct, the Constitution of the ITF Limited and the ITF Rules of Tennis. See also Section I, Chapter V, Organisational Requirements.

16. Insurance

Each player is responsible for ensuring that he/she (as well as any accompanying person) is fully and adequately covered by medical and travel insurance for the purposes of attending and participating in ITF Seniors Circuit events and ITF Young Seniors, Seniors & Super-Seniors World Individual Championships. The ITF Ltd, the host association and the host site cannot accept any liability for any participant or visitor in this respect.

17. Tournament Grading

Tournaments shall be graded based mainly on a computer evaluation of the standard of participants competing in the singles, doubles and mixed doubles events of the previous year's tournament. A geographical balance should be maintained wherever possible.

18. Method of Ranking

To be ranked on the ITF Seniors World Individual ranking in singles, doubles and/or mixed doubles a player must have registered and paid for a valid IPIN membership.

A player may in the course of a year, but not during one ITF Seniors Circuit tournament play in more than one singles age group and therefore may appear in more than one singles age group ranking.

To be ranked in singles, doubles and mixed doubles a player must reach a round where points are available (see points table in Section I, Rule 20 below). The number of points available will vary dependent upon the grading of the tournament and the round reached.

The official published ITF seniors world individual rankings in singles, doubles and mixed doubles will be calculated on a 52-week rollover system. At any given time, however, only the latest ITF Young Seniors, Seniors and Super-Seniors World Individual and Team Championships (WC, C1) and the latest Regional Closed Championships (RC) will count for ranking purposes. This may lead to the points from a previous year's grade WC, C1 or RC1 event not being included in a player's ranking for the entire 52

weeks or the points staying in the player's ranking longer than 52 weeks depending on the dates of the respective tournaments in the calendar.

The best four singles results in ITF Seniors Circuit Tournaments listed in Grade WC, Grade RC, Grade A, Grade C and Grades 1-5 will be taken into consideration for the Singles World Individual Ranking.

The best four doubles results in ITF Seniors Circuit Tournaments in Grade WC, Grade RC, Grade A, Grades 1-5 and Grade C will be taken into consideration for the Doubles World Individual Ranking.

The best four mixed doubles results in ITF Seniors Circuit Tournaments in Grade WC, Grade RC, Grade A and Grades 1-5 will be taken into consideration for the Mixed Doubles World Individual Ranking.

If two or more players receive the same number of points, their ranking will follow the number of points they scored in Grade WC tournaments, if these figure among the players' best four results. If two or more players are still equal, their ranking will follow the number of points they scored in Grade RC1 tournaments, if these figure among the players' best four results. If two or more players are still equal, their ranking will follow the number of points they scored in Grade A tournaments and so on down to Grade 5 tournaments, excluding Grade C1, C2 and C3 (Team Competitions).

When players qualify for a new age group, they shall carry over all ranking points to the new age group, so that they are included in their 'Own Age Group' (OAG) ranking points. These players shall be marked as "*bis*" on all ranking lists. "*Bis*" will continue to be displayed until points won in the previous age group no longer count towards the player's ranking.

In the case of a player moving from Young Seniors to Seniors and Seniors to Super-Seniors World Championships, only points won at the latest ITF Young Seniors/Seniors/Super-Seniors World Individual and Team Championships shall count for ranking purposes for the player's own age group.

19. Allocation of Points

World Individual Ranking points for singles, doubles and mixed doubles will be awarded as set out in the points table in Section I, Rule 20 below.

- i) Points shall be awarded for main draw singles, doubles and mixed doubles events. At the Young Seniors/Seniors/Super-Seniors World Individual Championships, points will also be awarded in singles consolation and

singles qualifying events. At Grade RC1 and Grade A tournaments, points will be awarded in singles qualifying events.

- ii) No points will be awarded to a player until he/she has won a round. A Walkover will be counted as a match won.
- iii) Singles knock-out draws shall have a minimum of 8 players to enable players to qualify for points except when an event has 5 players and fewer than 5 days of play, when a knock-out draw may be played instead of a Round Robin.
- iv) Doubles and mixed doubles knock-out draws shall have a minimum of 4 teams to enable players to qualify for points.

If too few entries are received then tournament organisers should choose to either:

- a) Amalgamate age groups to enable a knock-out to be played. (see Section I, Rule 46 regarding amalgamations)
 - b) Hold a Round Robin competition in the relevant age groups.
- v) Should a player win ranking points in more than one (1) doubles or mixed doubles events at the same tournament, he/she will receive ranking points for one event only. Points will be awarded for the event in which the player reached the furthest round.
 - vi) If a tournament is abandoned, players will receive points for the round reached up to that point.
 - vii) Should any age group be amalgamated with a lower age group, and players in the former obliged to play down, then those players shall be awarded points in their own age group.
 - viii) Should a tournament not offer a specific age group and a player of that age group participate in a lower age group, this player shall be awarded points in his/her own age group. In Singles, this does not apply to players who deliberately enter a lower age group in a tournament where their own age group is offered.
 - ix) Any player who leaves a tournament prior to his/her elimination from all entered events, or retires from a tournament for medical reasons, without a valid medical certificate (from the official tournament doctor), will forfeit all ranking points won in all events at that tournament.

IV. TOURNAMENT REGULATIONS

21. Variations to Regulations

If a tournament committee wishes to vary any of the following regulations, written application shall be made to the ITF, giving full reasons for the request. Such application must be received prior to the approval of the fact sheet.

22. One tournament

Once a player is committed to an ITF Seniors Circuit tournament he/she may not enter or compete in any other tournament that is being held during the same time period. Players are not permitted to enter more than one tournament in a given time period. It is the player's responsibility to manage his/her entries.

Violation of this section shall subject the player to penalties under Section III, B.(3) in the Code of Conduct.

All tournaments shall be open to all eligible players of the appropriate age group, except National Closed and Regional Closed Championships that may apply alternative criteria for acceptance as stated in Appendix I and II respectively.

23. Number of events per week

At all ITF Seniors Circuit tournament and Young Seniors/Seniors/Super-Seniors World Individual Championships, a player may enter a maximum of three (3) events.

A player may compete in one (1) Singles event only.

Tournament Organisers may further limit the number and type of events that a player can enter at their tournament and publish this on the official ITF Seniors Circuit Fact Sheet.

24. Tournament Types

There are three (3) tournaments types:

- **Type 1A:** Singles entries close at the Entry Deadline. Doubles entries are possible online and on-site. On-site entries close at a Doubles Sign-in Deadline defined by the tournament.
- **Type 1B:** Singles and Doubles entries close at the Entry Deadline. Doubles players can match online until the Withdrawal Deadline. There is no doubles entry possible on-site.
- **Type 1C:** Singles entries close at the Entry Deadline. There is a Singles (reconfirmation) sign-in on site for all entered players. Doubles entries are possible online and on-site and entries close at a Doubles Sign-in Deadline defined by the tournament.

25. Entry and Withdrawal Procedures

ITF Seniors Circuit tournaments (Grade WC, A, 1-5), the ITF Young Seniors/Seniors/Super-Seniors World Team Championships (Grade C1) and Grade C2, C3 events are open for players from all countries affiliated to ITF, provided they fulfil the IPIN and Age Eligibility rules as set out in the regulations. National Closed Championships and Regional Closed Championships (RC) may apply their own criteria for acceptances, as per Appendix I and II respectively.

To be eligible to participate in any age group, a player shall have reached the minimum age limit by 31st December of the year in which the competition is held.

i) All Singles entries and withdrawals are made online at www.itftennis.com/ipin, or in exceptional circumstances by fax or by email, as an attachment, to ITF Seniors Department on the official Entry Form or Withdrawal Form. Entries and Withdrawals submitted on the official forms must be signed by the player and must contain all required information.

A Player may enter and compete in one (1) Singles event in a tournament. This does not have to be in his/her own age group, but could be a younger age group.

A player applying for entry shall be deemed to apply for entry into Main Draw or Qualifying of the tournament.

ii) A player may enter a maximum of three (3) Doubles and/or Mixed Doubles events. However, if a player chooses to enter one (1) Singles event, he/she may compete in a maximum of two (2) Doubles and/or Mixed Doubles events. A player may enter without a partner but this entry will be deemed incomplete until a partnership is confirmed. A player may enter in a Doubles event of a lower age group. Doubles teams may consist of players from different nations. For the World Championships, please refer to the official Fact Sheet for confirmation of number of Doubles/Mixed Doubles events permitted.

iii) The Entry Deadline is at 14.00 GMT on the Monday Fourteen (14) days prior to the Monday of the Tournament week. A Tournament Organiser may choose to extend the Doubles/ Mixed Doubles Entry Deadline by holding a sign-in on-site, details of which shall be published in the official Fact Sheet. Doubles teams that fully completed their entry online, are not required to reconfirm by signing in. If there are changes to an entered doubles team, the players must inform the Referee before the sign-in deadline of such change.

It is the player's responsibility to check the correct Entry Deadline on the official tournament Fact Sheet published within the IPIN online service. It is also a player's responsibility to check that any online entry made has gone through and that a confirmation email has been received.

iv) The Withdrawal Deadline is at 14.00 GMT on the Tuesday six (6) days prior to the Monday of the Tournament week.

Players accepted to a Main Draw or Qualifying Acceptance list at the Withdrawal Deadline are deemed to be committed to play the event and subject to the penalties set out in the Code of Conduct.

Any withdrawal made after the Withdrawal Deadline will be considered a Late Withdrawal. A player's first three (3) Late Withdrawal offences within a calendar year will be excused* and the player will not be penalised, providing the withdrawal is received by the ITF (and by the Referee, if submitted after the Withdrawal Deadline) prior to the draw being published.

(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week's late withdrawal by the last day of the tournament).

It is not necessary to provide a medical certificate in case of a Late Withdrawal.

A player who wishes to withdraw after the Withdrawal Deadline must submit an official Withdrawal Form to both the ITF and the ITF Referee otherwise he/she shall be subject to the penalties provided for a No Show entry offence.

26. Criteria for Acceptances

Singles

For singles, following the Entry Deadline, all entered players are listed in ranking order according to the ITF Seniors World Individual Singles Ranking using the latest rankings at the time of the Entry Deadline. Tied players (with the same number of ranking points) will be randomised by the entry system.

Players without ITF Seniors World Individual Singles Ranking will be positioned according to the following criteria:

- Firstly, unranked players from outside the tournament zone will be drawn at random into positions.

- Secondly, unranked players from outside the tournament region will be drawn at random into positions.
- Thirdly, unranked players from the tournament region including the unranked players from the host country will be drawn at random into positions.

Zones and Regions are defined as follows:

Regions: (Asia) (Oceania) (Europe) (Africa) (South America) (Central America) (North America)

Zones: (Asia/Oceania) (Euro/Africa) (The Americas)

Recalculated OAG points

For acceptance purposes, a player that enters a Singles event in a lower age group than his/her own shall have his/her ITF Seniors World Individual ranking points recalculated as follows:

A player playing down 1 age group: 30% deduction from their own age group ranking points

A players playing down 2 age groups: 60% deduction from their own age group ranking points

A players playing down 3 age groups: 90% deduction from their own age group ranking points

A players playing down 4 age groups or more: 100 % deduction from their own age group ranking points

This total shall be known as recalculated OAG (own age group) points.

When Singles events are amalgamated, recalculated OAG points shall be used as required to establish the Acceptance List.

For the purpose of acceptance, a player that is ranked in more than one age group on the ITF Seniors World Individual Singles Rankings, will always use the ITF Seniors Singles World Individual Ranking points of his/her own age group.

Doubles

Teams are selected according to the following method:

- Teams composed of two ranked players in either the ITF Seniors World Individual Singles Ranking or the ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable). The combined ranking

points of the two players (using best of singles or doubles ranking) shall be added together and the total used to determine the direct acceptances.

- Teams composed of one player in either the ITF Seniors World Individual Singles Ranking or the ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable) and one unranked player. The ranking points of the ranked player (using best singles or doubles ranking) shall be used to determine the direct acceptances.
- Teams composed of players, neither of them have a ITF Seniors World Individual Singles Ranking or ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable) - Such teams will be drawn by lot.

If two or more teams are tied within any of these combinations, the order shall be drawn by lot.

For the purpose of the above selection method, the ITF Seniors World Individual Singles ranking points of the player's own age group (OAG) shall be used.

A team of two ranked players will always be accepted ahead of a team where only one player is ranked, even if the latter have higher ranking points.

For Doubles Draws with additional on-site doubles entries (Tournament Types 1A,1C), acceptance rankings are based on the latest available ITF Seniors World Individual Singles and Doubles/Mixed Doubles Rankings at the Withdrawal Deadline.

When a doubles team enters a lower age group event, or when one of the partners in a doubles team is from a higher age group, for acceptance purposes the following percentage is deducted from their ranking points:

Players playing down 1 age group: 30 % deduction from their own age group ranking points

Players playing down 2 age groups: 60 % deduction from their own age group ranking points

Players playing down 3 age groups: 90 % deduction from their own age group ranking points

Players playing down 4 age groups and more: 100 % deduction from their own age group ranking points

For acceptance purposes, a player that holds a Singles ranking in more than one age

group will always be listed in the tournament with Singles ranking of his/her own age group (OAG).

Organiser Window

Singles

The 'Organiser Window' is open from Wednesday 11.00 GMT two days after the Entry Deadline until Saturday 14.00 GMT five days after the Entry Deadline, during which the Tournament Organisers have the opportunity to view the tournament's entry lists online via a web link.

During the Organiser Window the Tournament Organiser must decide the following for each event:

- Whether all entered players can be accepted as Direct Acceptances (DA) into the Main Draw;
 - o In the event that not all entered players can be accepted as Direct Acceptances, the Tournament Organiser must inform the ITF office of the number of players that will be accepted into the Main Draw of each event.
 - o Players not accepted as Direct Acceptances into the Main Draw will be given Qualifying Acceptance (QA) status. If no Qualifying event will be played, then those players are to be given Alternate (ALT) status.

- Whether any age group events are to be amalgamated and inform the ITF office. See Section I, Rule 46 for the ITF recommendations for amalgamation of draws.

Should the Tournament Organiser fail to contact the ITF, on completion of the Organiser Window, the decisions above will be taken by the ITF.

Doubles

During the Organiser Window the Tournament Organiser must decide the following for each event:

For 1B tournaments:

- Whether all entered Doubles and Mixed Doubles teams can be accepted as Direct Acceptances (DA) into the Doubles and Mixed Doubles draws of the respective age categories.
- Decide if any age group Doubles event is to be amalgamated and what Age Group range the amalgamated category will include.

If the tournament has chosen an on-site Sign-in Deadline (i.e., 1A and 1C tournaments) the Tournament Organiser must;

- define the size of each Doubles and Mixed Doubles draw. Adjustments can be made at the time of the Sign-in Deadline once the number of participating teams has been finalised.
- Confirm Wild Cards given to entered or non-entered Doubles Teams (these can also be given until the draw is made).
- Amalgamation of Doubles events will not be made at this stage.

Composition of draws

Depending on the draw size, events are composed as follows:

Singles Main Draw

Position	8 draw	16 draw	24 draw	32 draw	48 draw	64 draw	96 draw	128 draw
DA	6	12	18	16 (-24)*	30 (-38)*	44 (-52)*	74 (-82)*	104 (-112)*
WC**	2	4	6	8	10	12	14	16
Q	N/A	N/A	N/A	8	8	8	8	8

*The DA number in brackets applies to events where Q positions are not used because no Qualifying event is played.

Singles Qualifying Draw

Position	16 draw	24 draw	32 draw	48 draw	64 draw	96 draw
QA	12	19	26	41	56	86
WC**	4	5	6	7	8	10

** The number of Wild Cards that are allowed for each event is determined by the number of entries received for each event at the Entry Deadline.

Should two events be amalgamated after the Entry Deadline, the number of available Wild Cards of the two original events can be combined for the amalgamated event.

Should a tournament have fewer than six (6) entered players in a Singles event, the Tournament Organiser can apply to the ITF for a maximum of four (4) additional Wild Cards in an event. Such additional Wild Cards require the written approval of the ITF.

A Singles Qualifying Draw may never be larger than its respective Main Draw. For Singles Main Draws of 24 players and below, no Qualifying Draw may be held.

Doubles

Doubles draws are composed as follows and must be defined in size by the Tournament Organiser following the Organiser Window:

Draw size	8 teams	12 teams	16 teams	24 teams	32 teams	48 teams	64 teams
DA	6	9	12	18	24	36	50
WC*	2	3	4	6	8	12	14

* The number of Wild Cards allowed for each event is determined by the number of entries received for each event at the entry deadline.

There are no Doubles Qualifying draws.

27. Publication of Acceptance lists

The Singles Acceptance Lists are published on www.itftennis.com/seniors on the Monday seven (7) days after the entry deadline. Entry and Acceptance lists are not available publicly during the entry process and Organiser Window.

For 1B tournament Doubles events, an Alphabetical Entry List, including incomplete doubles entries, will be published on the Monday seven (7) days after the Entry Deadline.

The order so established is also used for the Lucky Loser Sign-in lists used on the first day(s) of the Main Draw as long as there are still players to play their first match, whether this is in the first round or subsequent rounds. For such days, the Lucky Loser Sign-in closes 30 minutes before the scheduled start of play in the event and shall open at least 30 minutes before.

Once called, a Lucky Loser must be ready to play within fifteen (15) minutes. Should no Qualifying be played, then the vacated position shall be filled by the next player on the Alternates list.

For 1A and 1C tournaments, the other player of the withdrawing team may choose another partner and sign-in on-site.

After the draw has been made:

If a doubles team is forced to withdraw, the open position will be filled by the next eligible team in accordance with their position on the Acceptance List. The Alternates sign-in list will be available daily until 30 minutes before all teams have started their first doubles match. The other player of the withdrawing team may not team up with another player.

44. Match Formats Singles

Matches must be played over the best of three Tie-Break sets on a Knock-out basis.

All Tie-Breaks shall be played as Change of Ends Tie-Breaks, with players changing ends after the first point and thereafter after every four (4) points.

In the event of unavoidable disruption to a tournament, such as bad weather, should the score reach one set all, the Tournament Organiser may decide that a ten (10) point Match Tie-Break shall be played or alternatively adopt any of the approved alternative methods of scoring as per the ITF Rules of Tennis.

45. Match Formats Doubles and Mixed Doubles

The tournament organiser may choose between match formats for Doubles and Mixed Doubles events as per the ITF Rules of Tennis.

The chosen format must be published on the official ITF Fact Sheet and once published, may only be changed subject to approval of the ITF.

If an event with five (5) players is to be played over less than five (5) days, a Tournament Organiser can choose a Round Robin or Knock-out format.

In Doubles and Mixed Doubles events, if three (3) teams have entered a Round Robin must be played. When four (4) to seven (7) teams have entered, the Tournament Organiser has the authority to choose a Round Robin or a Knock-out format. When there are eight (8) or more teams a Knock-out draw must be played.

Amalgamation of Age Groups

The ITF recommends that organisers consider amalgamation when an event has three (3) players/teams or less. The ITF recommends that a maximum of two (2) age groups are amalgamated.

An age group containing two (2) players/teams or less must be amalgamated with the age group immediately higher or lower. Multiple age groups can be amalgamated if necessary.

Tournament Organisers are responsible for immediately notifying all entered players if their age group is amalgamated, regardless of when the decision to amalgamate occurs. Amalgamations must be confirmed before the draw is made.

Cancellation of an age group is not recommended by the ITF and should only occur if absolutely necessary. Any decision to cancel an age group must be immediately communicated by the Tournament Organisers to all players in the cancelled age group and to the ITF.

Format of Play of Round Robin events

Distribution of players from the same nation

Players from a nation shall be distributed as much as technically possible across the Round Robin groups.

Rules for Round Robin events

In the Round Robin groups the following rules apply:

Players/doubles teams are awarded one (1) point for winning a match. The final standings in a Round Robin group are determined by the number of aforementioned points won by each player/team.

If the number of points is equal for two (2) players/doubles teams, head-to-head results shall determine the final standings.

If the number of points is equal for three (3) or more players/teams, the following criteria shall determine the final standings;

1. The percentage of sets won of sets played against all players/doubles teams in the group,

2. If, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head match played between the two players/doubles teams will be used to break the tie
3. The percentage of games won of games played against all players/doubles teams in the group
4. If, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head match played between the two players/doubles teams will be used to break the tie
5. If there are still players/doubles teams that remain tied, then the World Individual ranking points of the players/doubles teams used for seeding in the event will be used to break the tie*.
6. If there are still players/doubles teams that remain tied, then drawn by lot.

*The ITF Seniors World Individual Ranking Points used for seeding in the event are determined as per Section I, Rule 33 for Singles and Section I, Rule 37 for Doubles and Mixed Doubles.

If a player withdraws or is a no-show for the entire tournament, the player is defaulted from the event and all his/her results from matches played are void and not to be considered.

47. Consolation Events

Time and court availability permitting, the Tournament Organiser shall make every effort to hold a Consolation Singles event for each age group for all players that lose their first match in either the first or second round of Main Draw. When necessary, the amalgamation of age categories is possible.

Consolation events will not be eligible for ITF Seniors World Individual Ranking Points, except at the World Individual Championships.

Consolation at World Individual Championships

Consolation draws at World Individual Championships shall be played as two Tie-Break sets and a ten (10) point Match Tie-Break instead of a third set, unless otherwise decided by the Tournament Committee. They shall follow the same seeding provisions as all other ITF Seniors Circuit tournaments.

Advancement to the second round by virtue of a Bye in a player's first Main Draw match shall not count as a match won for the purpose of eligibility to participate in the Consolation event.

Advancement to the second round by virtue of a Walkover in a player's first match shall count as a match won for the purpose of the Consolation event at the ITF World Individual Championships only. If the player loses his/her second round match, the

player may choose to forfeit the ITF Seniors World Individual Ranking points gained due to advancement to the second round by virtue of a Walkover and thus become eligible to participate in the Consolation event.

48. Daily Order of Play

Once the ITF Referee has determined the following day's Order of Play, it should be released by the ITF Referee, both online via ITF Tournament Planner program (Seniors TP) and on-site with print outs from the ITF Tournament Planner program (Seniors TP), as soon as possible, but no later than 22:00 hours local time.

It is each player's responsibility to ascertain his or her times of play and when their match is called.

49. Suspension and Postponement

The Chair Umpire or the Referee may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the Chair Umpire must be reported immediately to the Referee. The Referee must, however, make all decisions on the postponement of a match until a later day. Unless and until the Referee postpones a match, the players, Chair Umpire and all on-court officials must remain ready to resume the match.

Upon suspension of a match, the Chair Umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match.

If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

- | | | |

| 0-14 minutes delay | - | no warm-up |

If play has been interrupted for thirty (30) minutes or more due to rain or other warranted delay, the length of match time would be assessed from the moment play resumes following the delay.

If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play.

The above rule applies to Main Draw matches and when possible to Consolation matches.

c) Between sets:

A ten-minute rest period shall be taken after the second set unless the players concerned agree otherwise. Players may leave the court during the ten-minute rest

period. Players may interact with their support team members and tournament visitors during the ten-minute rest period.

The suspension shall commence from a date to be specified by the ITF, which shall take into account the time required to notify the player's National Association and all other relevant parties.

The ITF is responsible for notifying the Regional and/or National Associations of any suspension incurred by a player.

Referees and ITF Seniors Circuit Tournaments shall be in breach of the regulations governing these tournaments, if they allow any player appearing on the suspension list sent to them by the ITF or being red-flagged in the Tournament Planner Software (Seniors TP) to play.

IV. MAJOR OFFENCES

A. Wagers

No player or Related Person may wager anything of value in connection with any ITF Seniors Circuit tournaments.

Violation of this section shall subject the player to a suspension from play in ITF Seniors tournaments for a period of up to three (3) years. Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all ITF Seniors Circuit tournaments.

B. Bribes or Other Payments

No player or Related Person may offer, give, solicit or accept, or agree to offer, give, solicit or accept, anything of value to or from any person with the intent to influence any player's efforts or participation in any ITF Seniors Circuit tournament.

Violation of this section shall subject the player to a suspension from play in ITF Seniors Circuit tournaments for a period of up to three (3) years. Violation of this

section shall subject a Related Person to a maximum penalty of permanent denial of access to all ITF Seniors Circuit tournaments.

C. Aggravated Behaviour

No player or Related Person at any ITF Seniors Circuit event shall engage in “Aggravated Behaviour” which is defined as follows:

- i) One or more incidents of behaviour designated in this Code as constituting “Aggravated Behaviour”.
- ii) One incident of behaviour that is flagrant and particularly injurious to the success of an ITF Seniors Circuit event, or is singularly egregious.
- iii) A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute “Aggravated Behaviour”, but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF Seniors Circuit.

Violation of this section shall subject the player to a maximum penalty of permanent suspension from play in ITF Seniors Circuit tournaments.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject them to a maximum penalty of permanent denial of access to all ITF Seniors Circuit tournaments.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to all ITF Seniors Circuit tournaments.

D. Conduct Contrary to the Integrity of the Game

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of a violation of a criminal or civil law of any country, the punishment of which includes possible imprisonment for more than one year, he/she may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such player from further participating in ITF Seniors Circuit tournaments pending a final determination in section E. In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, he/she may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this section.

Violation of this Section by a player, directly or indirectly through a Related Person or others shall subject the player to a maximum penalty of permanent suspension from play in all ITF Seniors Circuit tournaments.

Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all ITF Seniors Circuit tournaments.

E. Determination and Penalty

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article IV.E, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;

- (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
- (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

If (and only if):

- (a) the Player or Related Person has pleaded guilty to, or otherwise admitted (for example, in response to a Notice of Charge) engaging in, conduct that constitutes a Major Offence; and
- (b) the Review Board has completed its review and has concluded that the Player or Related Person in question has a case to answer in respect of that Major Offence;

then the ITF may notify the Player in writing that he/she will be Provisionally Suspended with effect from the date 10 days after the date of deemed receipt of the notice, pending a full hearing. However, the ITF shall at the same time notify the Player or Related Person of his/her right, at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

F. APPEAL

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

V. MEDICAL CONTROL – ANTI-DOPING POLICY

Any Player, Player Support Personnel or other Person who enters or participates in the ITF Seniors Circuit shall be bound by and shall comply with all of the provisions of the 2017 ITF Tennis Anti-Doping Programme.

The 2017 ITF Tennis Anti-Doping Programme is set out in full on the ITF website (www.itftennis.com/antidoping) and in a separate rulebook that is published and distributed by the ITF to all National Associations.

VI. TOURNAMENT OFFENCES

A. Applicability

This Article shall apply to each ITF Senior Circuit Tournament and Applicant. References in this Article to a "Tournament" shall hereafter mean an ITF Senior Circuit Tournament or applicant for such a tournament, and where applicable refers to the legal entity (personal or corporate) that is applying for, administering, operating or otherwise organising the ITF Senior Circuit Tournament.

B. Guarantees

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall the Tournament permit any other person or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player's appearance at a Tournament, other than prize money and permitted amateur expenses, unless authorised to do so by the

Committee. Violation of this Section shall subject the Tournament to a fine up to \$5,000 plus the amount or value of any such payment, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction. In the event the ITF Executive Director believes that a Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent, access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

C. Wild Cards

No Tournament, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

D. Conduct Contrary to the Integrity of the Game

No Tournament, or any owner, promoter or operator thereof, shall engage in conduct contrary to the integrity of the Sport.

Violation of this Section may subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

E. ITF Seniors Circuit Rules

No Tournament shall violate any provisions of these ITF Senior Circuit Rules. Violation of this Section shall subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

F. Late Cancellations

No Tournament shall cancel less than sixty (60) days prior to the scheduled commencement of the event.

Violation of this section may subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and possible withdrawal of its sanction.

G. Determination and Penalty

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by a Tournament and shall provide written notice of such investigation to the Tournament involved. The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a “Demand”) to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VI, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the “Notice of Charge”), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and
- (c) the Tournament’s entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Tournament Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Tournament Offence (s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and

- to have the Independent Tribunal determine the consequences at a hearing; or
- (iii) to deny the Tournament Offence (s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the tournament.

Hearing

If the tournament charged exercises its right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

H. Payment of Fines

All fines levied by the Independent Tribunal shall be paid by the tournament to the ITF within thirty (30) days after receipt of written notice thereof.

I. Appeals

Any Tournament found to have committed a Tournament Offence may, after paying all fines as above provided, appeal the decision of the Independent Tribunal to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

VII. WELFARE POLICY

Any player that enters and/or participates on the ITF Seniors Circuit, and any Player Support Team Member of any player that enters and/or participates on the ITF Seniors Circuit shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix IV.

VIII. RECIPROCITY

The ITF reserves the right to ask the ITF Internal Adjudication Panel to affirm, modify or reject with respect to any or all ITF Seniors Circuit tournaments a suspension or other sanction issued against a Covered Person (as defined in the ITF Welfare Policy, Appendix IV) either by or on behalf of the ITF pursuant to a conduct or disciplinary process under any ITF code or policy or by any national or regional association or other tennis organisation including the Women's Tennis Association and Association of Tennis Professionals.

The ITF Internal Adjudication Panel shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate in its absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

IX. INTERPRETATIONS

Any person or entity subject to this Code may file with the ITF Internal Adjudication Panel a request for an interpretation or clarification of the Code and/or its applicability and effect on a particular event or transaction.

APPENDIX III

MEDICAL, EXTREME WEATHER CONDITIONS & TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Medicine Trainer during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections, or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. The use of supplemental oxygen on-court is not permitted at any time.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Medicine Trainer to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Medicine Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Medicine Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.*

If the Sports Medicine Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Sports Medicine Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Medicine Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Medicine Trainer is ready to start treatment. At the discretion of the Sports Medicine Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.*

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping,

or non-treatable medical condition, the decision of the Sports Medicine Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Medicine Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Medicine Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Medicine Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Medicine Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive treatment. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor/Referee or Chair Umpire for the special circumstance in which the Sports Medicine Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Medicine Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Medicine Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game. Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Medicine Trainer must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Medicine Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Medicine Trainer and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Medicine Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that might impact on his/her ability to participate safely in a tournament, the Tournament Doctor should be called to assist the player as soon as possible.

If the issues arises during a match the Chair Umpire shall immediately call for the Tournament Doctor to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All

discussions between the doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a 3rd party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor/Referee of that fact. If the player refuses to take medical advice, or refuses to permit the Tournament Doctor to share that advice with the ITF Supervisor/Referee, the Tournament Doctor must report that refusal to the ITF Supervisor/Referee. Upon receipt of such advice or report of refusal, the ITF Supervisor/Referee shall declare that the player is being retired from the match in progress or withdrawn from the match to be played (as applicable).

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor/Referee accordingly. The player may subsequently compete in another event at the same tournament (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS

HEAT RULE

The ITF Seniors Extreme Heat Policy will be applied at the Referee's discretion, taking into account the forecast, the ambient temperature and, when available, the Wet Bulb Globe Temperature index reading.

In the event of extreme heat, the Referee has the right to order a rest period and/or suspend the commencement of any further matches scheduled. The Referee also has the right to suspend play at any time for any matches currently in progress. The Referee will determine whether any suspension in play shall apply to specific categories only or to all.

During any suspension of play, the Referee will review the conditions and make a decision as to whether the EHP is still in force.

TOILET/CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (women's matches).

Toilet breaks should be taken on a set break. Change of attire (women's matches) breaks must be taken on a set break.

In women's singles events, a player is entitled to two (2) breaks during a match. In men's singles events, a player is entitled to one (1) toilet break.

In a doubles match, each team is entitled to a total of two (2) breaks.

If partners leave the court together, it counts as one (1) of the team's authorised breaks.

These breaks may be taken for toilet visits, change of attire (women's matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks. Additional breaks will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.

The Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Referee as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Referee.

A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

APPENDIX IV WELFARE POLICY

Any coach, trainer, manager, agent, medical or para-medical personnel and/or family member, tournament guest, or other similar associate of any player (together “Player Support Team Member”), any player and any tournament personnel, such as an official, tournament director, staff, volunteer, sponsor, health care provider, ITF staff member and members of the media (together “Credentialed Person”) shall conduct himself/herself in a professional manner at all times and in accordance with this ITF Welfare Policy. In this ITF Welfare Policy Player Support Team Members, players and Credentialed Persons shall be defined as “Covered Persons”.

a. Elements of the Welfare Policy.

i. Application

a) Covered Persons shall be familiar with, and must abide by, this ITF Welfare Policy.

ii. Unfair and/or Discriminatory Conduct

iii. Abuse of Authority; Abusive Conduct

a) Covered Persons shall not abuse his or her position of authority or control, and shall not attempt to or compromise the psychological, physical or emotional wellbeing of any player.

b) Covered Persons shall not engage in abusive conduct, either physical or verbal, or threatening conduct or language directed toward any Covered Person, parent, spectator or member of the press/media.

c) Covered Persons shall not exploit any player relationship to further personal, political or business interests at the expense of the best interests of the player.

iv. Sexual Conduct

In order to prevent sexual abuse and the negative consequences resulting from the imbalance of a dual relationship, sexual conduct of any kind between any player and his/her Player Support Team Members and/or Credentialed Persons is discouraged.

In addition, the following conduct is specifically prohibited:

a) Covered Persons shall not make sexual advances towards, or have any sexual contact with, any player who is (i) under the age of 17, or (ii) under the age of legal majority in the jurisdiction where the conduct takes place or where the player resides.

b) Covered Persons shall not sexually abuse a player of any age. Sexual abuse is defined as the forcing of sexual activity by one person on another person (i) of diminished mental capacity; or (ii) by the use of physical force, threats, coercion, intimidation or undue influence.

c) Covered Persons shall not engage in sexual harassment - for example, by making unwelcome advances, requests for sexual favours or other verbal or physical conduct of a sexual nature where such conduct may create an intimidating, hostile or offensive environment.

d) Player Support Team Members and Credentialed Persons shall not share a hotel room with a player who is (1) under the age of 17, or (2) under the age of legal majority in the jurisdiction where the hotel is located or where the player resides, unless such Player Support Team Member or Credentialed Person is the player's parent or is related to the player and authorised in writing by the player's parent. Penalties will apply to any underage player who is found to have violated this Hotel Room Policy. These penalties can include: forfeiture of points from the tournament(s) where the violation occurred and/or monetary fines equal to the amount of the hotel room rates and/or forfeiture of hotel per diem rates as applicable, for the tournament(s) where the violation occurred. Such penalty shall be in addition to any penalties that may be imposed on the Player Support Team Member or Credentialed Person pursuant to sub-Section b) below.

- v. Criminal Conduct – Covered Persons shall comply with all relevant criminal laws. For greater certainty and without limiting the foregoing, this obligation is violated if a Covered Person has been convicted of or entered a plea of guilty or no contest to a criminal charge or indictment involving (a) an offence involving use, possession, distribution or intent to distribute illegal drugs or substances, (b) an offence involving sexual misconduct, harassment or abuse, or (c) an offence involving child abuse. Further, this obligation may be violated if a Covered Person has been convicted of or entered a plea of guilty or no contest to an offence that is a violation of any law specifically designed to protect minors.
- vi. Anti-Doping Activity – Covered Persons shall not commit any offence under the terms of the ITF’s Anti-Doping Programme or aid, abet, counsel or procure in any way any person’s offence under that Programme.
- vii. Conduct in General – Covered Persons shall not conduct himself or herself in a manner that will reflect unfavourably on the ITF, any tournament, event or circuit owned or sanctioned by the ITF (the “ITF Tournaments”), any player, official or the game of tennis.

b. Violations/Procedures

- i. Any individual who believes that any Covered Person has failed to meet his or her obligations under this Welfare Policy may file a written complaint with the ITF. That complaint shall identify the complainant and state specifically the nature of the alleged misconduct. Upon receipt of such a complaint, the ITF shall promptly investigate the matter to consider whether there has been a breach of this Welfare Policy (a “Welfare Offence”).
- ii. All Covered Persons must cooperate fully with such investigations. The ITF may make a written demand to a Covered Person (a “Demand”) to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Welfare Offence, including (without limitation) requiring the Covered Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Covered Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.
- iii. Where, as the result of an investigation under this Appendix IV, the ITF forms the view that a Covered Person has a case to answer for commission of a Welfare Offence, the ITF shall refer the matter to the Review Board.

Review Board

- iv. The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer for a breach of this Welfare Policy (a “Welfare Offence”). The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board’s consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

- v. Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Covered Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

- vi. When the Review Board determines that a Covered Person has a case to answer, the ITF will send a written notice to the Covered Person (the “Notice of Charge”), with a copy to the Chairman of the Independent Tribunal, setting out:
 - a. the Welfare Offence alleged to have been committed, and a summary of the facts upon which such allegations are based;
 - b. the potential consequences applicable if it is determined that the alleged Welfare Offence has been committed; and
 - c. the Covered Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - i. to admit the Welfare Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - ii. to admit the Welfare Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - iii. to deny the Welfare Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
 - d. if the Covered Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Covered Person’s receipt of the Notice. The request must also state how the Covered Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Covered Person

will be deemed to have admitted the Welfare Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

- vii. In the event that the ITF withdraws the Notice of Charge, or the Covered Person admits the Welfare Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Welfare Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Covered Person.

Provisional Suspension

- viii. If (and only if):
- a. The Covered Person has pleaded guilty to, or otherwise admitted (for example, in response to a Notice of Charge) engaging in, conduct that constitutes a Welfare Offence; and
 - b. the Review Board has completed its review and has concluded that the Covered Person in question has a case to answer in respect of that Welfare Offence;

then the ITF may notify the Covered Person in writing that he/she will be Provisionally Suspended with effect from the date 10 days after the date of deemed receipt of the notice, pending a full hearing. However, the ITF shall at the same time notify the Covered Person of his/her right, at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable.

- ix. A Covered Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Sanction

- x. The Independent Tribunal may impose appropriate sanctions including (a) denial of privileges or exclusion of the person in question from any or all ITF Tournaments, or (b) such other sanctions including monetary sanctions as the Independent Tribunal may deem appropriate.

c. Appeals

- i. Decisions of the Independent Tribunal may be appealed to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

d. Miscellaneous

- i. Any decision of the ITF Internal Adjudication Panel pursuant to this Welfare Policy may be communicated to those Member National Associations, other tennis organisations and ITF Tournament organisers deemed necessary by the ITF Internal Adjudication Panel.
- ii. Notwithstanding, and without prejudice to, the above:
 - a. The ITF reserves the right to share information concerning a complaint with and/or conduct an investigation in conjunction with any tennis organisation as specified above;
 - b. The ITF may refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate; and
 - c. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by other tennis organisations as specified above and/or relevant authorities.

APPENDIX V THE PLAYERS

Any reference to players in this Article shall apply to the Captain where appropriate.

1. Definition of “Good Standing” of a Player

Any player selected by a Nation to take part in the Young Seniors/Seniors/Super-Seniors World Team Championships must be of Good Standing. The National Tennis Association of the Nation for which the player is to be selected shall determine whether the player is of Good Standing before he/she is selected to take part in the Seniors/Super-Seniors World Team Championships. Any player that wishes to participate in any of the tournaments that comprise the 2017 ITF Seniors Circuit must be of Good Standing.

A National Tennis Association shall deem a player to be of Good Standing where he/she:

(a) is free from a suspension imposed by his/her National Tennis Association, or by the ITF, or through the imposition of a suspension under a Code of Conduct accepted and approved by the ITF;

(b) is accepted by his National Tennis Association as being under its jurisdiction while competing in events for which his National Tennis association has selected him/her;

(c) makes himself/herself available for selection for Young Seniors/Seniors/Super-Seniors World Team Championships and accepts the jurisdiction of his National Tennis Association while competing in events for which they have selected him;

(d) respects the spirit of fair play and non-violence at all times;

(e) accepts the conditions of entry of the events he enters, including the conditions of any code of conduct adopted for those events and the terms and conditions contained in the IPIN registration system;

(f) agrees to undergo any medical control, including gender control and/or other tests, which are in operation at any event which he enters;

(g) has not been convicted by a competent court of a country of an offence:

(i) in respect of which an unsuspended sentence of at least 12 months was imposed; or

(ii) which involved any act or omission which would reasonably be considered to compromise the integrity of tennis, his National Tennis Association, the ITF and/or the safety of those taking part in and/or attending an ITF Seniors Circuit tournament or Young Seniors/Seniors/Super-Seniors World Championships; and

(h) has not otherwise engaged in conduct which brings his/her National Tennis Association and/or the ITF into disrepute.

A player who fails to satisfy any of the criteria at (a)-(h) above but intends to be considered for selection, must establish to the satisfaction of his/her National Tennis Association that he/she is of Good Standing notwithstanding his/her failure.

Any Appeal against a final decision handed down by a National Tennis Association shall be lodged with the ITF Internal Adjudication Panel within 21 days of notification of the decision in question. Recourse may only be made to the ITF Internal Adjudication Panel after all other internal channels of appeal to a National Tennis Association have been exhausted. The decision of the ITF Internal Adjudication Panel shall be final and binding (and there shall be no further rights of appeal). The ITF Internal Adjudication Panel in its absolute discretion may set aside the determination of a National Tennis Association.

2. Definition of a “National”

A national of a country is a player who is eligible for and holds a passport of that country and for the purposes of Section II, Rule 25, the tennis nationality of a player shall be:

- (a) In the case of a player who has represented a country, that of the country which he last represented.
- (b) In all other cases, that of the country which he is for the time being qualified to represent under Section II, Rule 25.

3. Gender Verification

In any Competition, a player may be required upon request to submit to gender verification to determine sexual status.

In the event that the gender of a player is questioned, the medical delegate (or equivalent) of the ITF shall have the authority to take all appropriate measures for the determination of the gender of a competitor.

The results of any tests conducted will not be made public out of deference to the human rights of the individual concerned but will be reported to the Chairman of the ITF Sport Science and Medicine Commission who shall advise the Board of Directors of the gender of the player concerned.

Failure by a player to submit to testing upon the request of the ITF shall subject the player to immediate suspension from the Competition until such time as the appropriate testing is carried out in accordance with these Regulations.

Transsexuals

Any individuals undergoing sex reassignment from male to female before puberty are regarded as girls and women (female), while those undergoing reassignment from female to male are regarded as boys and men (male).

Individuals undergoing sex reassignment from male to female after puberty (and the converse) are eligible for participation in female or male Competitions, respectively, under the following conditions:

- a. Surgical anatomical changes have been completed, including external genitalia changes and gonadectomy.
- b. Legal recognition of their assigned sex has been conferred by the appropriate official authorities.
- c. Hormonal therapy appropriate for the assigned sex has been administered in a verifiable manner and for a sufficient length of time to minimise gender-related advantages in sport Competitions.
- d. Eligibility should begin no sooner than two years after gonadectomy.

In all instances, a confidential case-by-case evaluation will occur.

ITF will not unreasonably refuse any request to incorporate such a link provided that the link is incorporated in accordance with ITF directions.

All other rights to use or create or assemble official data or in any way to exercise the data rights are reserved exclusively to ITF and may be exploited by ITF at its sole election.

3. Data rights protection

available any official data and/or any match score or other related statistical data or for purposes relating to gambling shall be prohibited and each host organiser national association shall take reasonable steps to enforce such prohibition (including without limitation by means of venue regulations, ticket conditions and accreditation terms), **save for incidental use within editorial reporting**. The exception to this provision is host organiser and/or ITF credentialed personnel when used in the performance of their duties.

The host organiser shall co-operate with the ITF in relation to:

- Any system or scheme that the ITF implements for the exercise, collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of live scoring rights;
- Any measures that the ITF takes to protect the exclusivity of live scoring rights and the prevention of any unauthorised collation, collection, use, storage, reproduction, onward supply or making available of official data .

4. PAT data exploitation

ITF has, subject to the Rules of Tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT data from matches played in the competition subject to the following conditions:

- i. During the match the coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT data shall only use such PAT data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to rule 30 of the Rules of Tennis
- ii. Each host organiser coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT data at any time shall:
 - a) Not publish, use or otherwise exploit any PAT data or supply any PAT data or analysis derived therefrom to third parties for any purposes other than as described in 4(i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may

reasonably require to prevent any unauthorised access to and/or use of such PAT data, in particular but without limitation no PAT data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;

- b) Ensure that ITF shall be able to access free of charge any and all such PAT data live and/or delayed at the venue of the match and/or such other point as may be agreed and ITF shall be free to use such PAT data and authorise third parties to use such PAT data for any purposes;
- iii. In the event that such PAT data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and the coaches and players will immediately cease use of the PAT system pending resolution.
